

Dear Ms. Rasmussen,

I'm not sure if this is a note to be sent to the police or to this committee; I'm ready to express my concern with the safety at the intersection of 62 and Commonwealth avenue next to Junction Park. When traveling westbound on 62 and intending on making a right turn onto Commonwealth avenue, it seems that it would be safer to have a red arrow when pedestrians are crossing from the south side to the north side of the street.

I tried filling out the survey, but that may have to do more with safety at the park, and the survey was closed as I must have been too late.

Thank you so much for all of your efforts, I love the trail!

Sincerely,

Billy
