

Ms. Eve Isenberg
Chair, Community Preservation Committee
141 Keyes Road, Concord, MA 01742

October 3, 2025

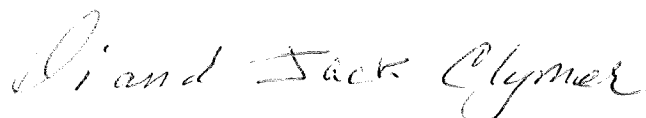

Dear Ms. Isenberg,

We are writing to support the Concord Free Public Library's application seeking partial funding for a major preservation project at the main library. The project to add 40 exterior storm windows will protect the original windows that were installed in the building almost 100 years ago.

This project will not only preserve the historic windows, but will further enhance the library's significant sustainability program, as well. Both goals are admirable and we hope the Community Preservation Committee will be able to fund this important initiative.

Given the library's central educational role in our community, this project will further promote the town's historic preservation and sustainability goals. It will serve as an example for other local institutions and homeowners.

Thank you for the committee's continuing stewardship,
