Description

- Heavy Cast-Iron For Durability
- Galvanized and Powder Coated to Resist Rust
- Easy Surface-Mount Installation

Get the look of functional hardware with these dummy scroll shutter dogs with beveled edges. Intended for use with fixed decorative shutters (wood or vinyl), they'll give your windows an authentic appearance with a left and a right facing scroll. Made of heavy duty cast iron, galvanized and finished with a rust resistant black powder coat. These faux

shutter dogs are traditionally installed close to the far edge of the shutter. The horizontal mounting tab attaches to the bottom edge of the shutter with a wood screw.
